NOTE FOR: D/OP

VIA : DDA

Bob,

Thanks for the effort. I am afraid this simply doesn't do the trick, however. On the one hand it tells me ~~in~~ more detail than I need on the problem. On the other, the information is presented in your context, not ours. It really isn't very helpful. What I would really like to see is what I asked for in the first place. Thank

Jim:

Attached for your information is the report we discussed yesterday. It covers Employment activity during the month of October from several angles:

Tab A - looks at the overall volume of applicant processing and EODs;

Tab B - focuses on each Directorate and the critical requirements (as defined by the Agency's offices) within each of them;

Tab C - a personnel status report which shows on-duty strength in the Agency by Directorate and by office.

Think this will do it?
On the last Tab, we are still using FY 84 ceilings. FY85, just received, will be input shortly
